WHAT TO DO IF...
(The most commonly asked questions)

My on-line fee bill is not available or I lost my letter in lieu of a bill? E-mail (bursar@lsu.edu), call the Office of Bursar Operations (225/578-3357) immediately, or come to the Office of Bursar Operations, 125 Thomas Boyd Hall.

My fee bill does not include my student aid or scholarship? Contact the Office of Admissions and speak to an admissions officer (225/578-8646) immediately. If your aid/scholarship has not been awarded and accepted by the time bills are due, you must pay the amount due as shown on the bill. Even if your aid/scholarship may be forthcoming, you need to pay what is owed by the due date or your classes will be purged and you will be assessed the $75 service charge to register later.

After my fee bill is available, I decide that I want to defer paying part of my fees? Even though your fee bill has been published on-line, you can still defer half of the current charges for the upcoming semester/term, even if it is the only thing you owe! If you want to know what the balance is for, view your billing statement under “Financial Services” on your myLSU Desktop. You may also contact the Office of Bursar Operations by e-mail (bursar@lsu.edu), or call (225/578-3357).

I view my fee bill and want to change a fee for an additional service? Once your fee bill is available on-line, you can no longer use myLSU to change additional service fees. You must contact the office providing the service to make the change.

I receive a letter in lieu of a bill? Carefully follow the directions on the letter. Once the hold is removed, you will pay fees via myLSU using an on-line check/bank draft or a credit card in the lobby of Thomas Boyd Hall. Your payment of fees will ensure that your courses will not be purged and you will not be assessed the $75 late registration service charge.

My courses are purged? The first no-pay purge is run following the payment due date. If your courses are purged, check the registration calendar for the date myLSU re-opens. When myLSU re-opens, schedule your courses and pay your fees via myLSU using an on-line check/bank draft or a credit card or complete registration in the lobby of Thomas Boyd Hall. To avoid courses being purged again, you must complete registration.

I want to confirm that my remittance form and any payment have been received and I am registered? You can check your payment status using myLSU. Having courses scheduled is not proof of registration.

4. Credit will default to the correct number of hours. There is no need to enter any number in this space.

Your schedule will appear at the bottom of the screen, or you can click on “Personal Schedule” to view the latest version of your schedule as changes are initiated.

Another service available through myLSU pertains to the addresses on file for you at the University. Under your personal desktop, click on “Personal Preferences” then click on “Directory Information” to verify and/or update the addresses we have for you.

NOTE: Additional services may be selected via myLSU. All selections (courses and additional services) should be made at least ten (10) days prior to fee assessment for each semester or term.

COURSE SCHEDULING AND REGISTRATION
SUMMER 2015

COURSE SCHEDULING PRIORITY

Scheduling of summer classes for all students begins at 7:00 p.m., Monday, March 16. The system will remain open until 7:00 a.m. on Tuesday, March 17.

To avoid purges, please check for prerequisites, senior-only designations, overlapping courses prior to scheduling. The course offerings list on myLSU indicates the number of slots available for each course/section.

The server will once again be open for all summer courses from 11:00 a.m. Tuesday, March 17 and will remain open until fee assessment begins. We ask that you finalize your summer schedule as soon as possible. myLSU will be unavailable during fee assessment.
Reminder: The maximum number of hours for which you may register in the summer is nine (9) and six (6) in the Summer in France Program. The total number of summer school credits that can be applied to the Juris Doctor/Graduate Diploma in Comparative degrees is sixteen (16).

To schedule courses, you will need: the Summer 2015 Schedule of Classes -both Baton Rouge and Summer in France (available on the web), LSU Law Catalog (available on the web), pen or pencil, and paper.

- Being in debt to the University does not block you from scheduling courses.
- Consult the LSU Law Catalog and Schedule of Classes to familiarize yourself with course requirements, prerequisites, co-requisites, and University regulations.
- Organize your registration materials and plan your class schedule prior to logging on to myLSU. This means:
  - Determining your preferred courses.
  - Ensuring that you are scheduling only courses for which you meet all course requirements. If you schedule a course for which you are not eligible, your enrollment may be canceled at any time.
  - Listing your courses in priority order.
  - Listing alternative classes, since some courses of sections may be closed or canceled.
  - Determining additional service selections.

PLEASE NOTE: LSU logs all myLSU transactions to trace activity and to obtain information that will be used to improve the registration system.

◄SPECIAL REGISTRATIONS►

Audit Only Registration
To be considered for admission as an “Audit Only” student, a person must complete an application for admission and submit it with the application fee and a letter to the Vice Chancellor for Academic Affairs requesting permission to audit a specific course or specific courses. These documents should be submitted to the Office of Admissions and Student Records, 202 Law Center for processing. Upon approval, the course will be added to your schedule by personnel in the Office of Admissions and Student Records, and a fee bill will be generated for you. One may not register as an “audit only” student using MYLSU.

Degree Only Registration
To be registered as “Degree Only”, one must contact the Office of Admissions and Student Records for particular registration procedures. One may not register for “Degree Only” through myLSU.

Delinquent Registration
Registration after June 5 requires approval of the Vice Chancellor of Academic and Student Affairs.

◄ADDITIONAL REGISTRATION INFORMATION►

Add/Drop Fee Adjustments
Be aware that adding a course which raises enrollment to full-time will generate full-time fee assessment even if you remain at full-time status only one day. Students not intended to be full-time should ensure that each drop/add action reflects their desired credit load. Charges and credits created by adding and/or dropping courses via myLSU after you pay fees will be posted to your account daily.

Adding and Dropping Courses
You may add and drop courses from the beginning of registration through the end of the add period, with one exception. Between the time fees are assessed and you have paid your fees, you can drop, but not add courses. After you have paid, and your payment has been processed, you can both add and drop courses.

**Adjustment to Course Offerings**
The LSU Law Center reserves the right to adjust course offerings by adding or dropping sections. **You should access myLSU before classes to ascertain whether adds/drops have affected your schedule. If they have, you may make appropriate changes then.**

**Application for Degree & Payment of Diploma Fee**
Payment of the diploma fee does not constitute application to receive a degree. You must apply for your degree the semester you intend to graduate. Forms will be distributed by the Office of Admissions and Student Records within the first two weeks of class.

**Auditing Courses**
If you are a continuing student and wish to audit a course, you must complete the Audit Only form. Forms are available on the web and in Room 202. Upon approval, the course and/or audit designation will be added to your schedule by personnel in the Office of Admissions and Student Records.

**Cancellation of Registration**
If you complete registration (return the remittance stub and pay any fees due or pay fees via myLSU using a credit card) by the payment due date, and decide not to attend LSU, do not just drop all of your classes using MYLSU. You must notify the Office of Admissions and Student Records that you are cancelling your registration. If you cancel your registration before the first class day, you will receive a 100% refund (minus the $10 registration fee), and no entry regarding the term will appear on your record or transcript.

**Closed Sections**
If all spaces are filled for a section you requested, but spaces are available in other sections, myLSU will provide the call numbers and times of sections in which spaces are available.

**Course Schedule**
You may check on MYLSU to view and print your course schedule. When you return to campus for the term, bring a copy of your schedule with you.

**Credit Hour Maximum**
The maximum loads for summer term are nine (9). The total number of summer school credits that can be applied to the Juris Doctor and Graduate Diploma in Comparative Law degrees is sixteen (16).

**Dropping Courses via MYLSU after the last day to Add Courses**
You may drop courses via MYLSU until midnight through the respective final date to drop courses or resign. Beginning the first class day, you cannot drop all of your courses using MYLSU. This is, in effect, resigning from the University. If you want to resign you must begin the resignation process in the Law Center Registrar’s office, room 202.

**Degree Requirements**
You are personally responsible for completing all requirements for your degree. Read the Law Center Catalog carefully for course information, prerequisites, co-requisites, and all Law Center regulations.

**Prerequisites**
Prerequisite courses are listed as suggested background courses for particular courses. If you do not have the course(s) listed as a prerequisite you should seek approval of the faculty member teaching the course.

**Registration Holds & Letters in Lieu of Bills**
If you schedule courses and have a hold on your registration, a letter will be mailed to your home address. Carefully follow the directions in the letter that explain who to contact to remove the hold and complete registration. If you receive a letter in lieu of a fee bill, you will not be mailed a fee bill when you remove the hold. You must view your on-line fee bill via
If you do not complete registration by the payment due date, your course schedule will be purged, and you will be assessed the $75 late registration service charge should you register at a later date. The payment deadline remains the same.

**Required Academic Performance**
Your registration depends on your successful academic performance during the current semester. Your schedule is subject to cancellation if you do not meet the required standards, and you will be issued a refund of 100%.

**Resignation**
If you complete registration, and decide on the first class day or thereafter not to attend LSU, you must report to the Office of Admissions and Student Records, 202 Law Center, to initiate the procedure to resign from the university. Resignations are part of your permanent record and appear on your transcript.

**LSU-SOUTHERN UNIVERSITY CROSS-REGISTRATION PROGRAM**
Law students who wish to cross-enroll at Southern University Law Center should see the Registrar in room 202 for instructions.

**PAYMENT OF FEES**
LSU students are responsible for full payment of fees and all other debts to the university by the payment due date, or your schedule will be purged. NOTE: It is your responsibility to pay any balance due. If you receive a letter in lieu of a bill, because a hold has been placed on your registration, ensure you carefully follow the directions in the letter that explains who to contact to remove the hold. Once the hold is removed please contact the Office of Admissions and Student Records for further instructions as to how you should complete your registration. **Up-to-the minute fee information is available via MYLSU. The fee bill link is under “Registration Services” on your MYLSU Desktop.**

**NOTE:** It is your responsibility to pay the amount due. You may view your fee information by accessing the fee bill link under Registration Services on your MYLSU Desktop. **Your payment due must be received (not postmarked) by the due date to complete registration.**

You have these payment options once your fees are assessed and your bill is posted:

1. Use MYLSU to pay by BANKDRAFT
2. Use MYLSU to pay the amount due by credit card. NOTE: You will be charged a 2.5% charge if you pay by credit card.
3. Use MYLSU to indicate you are registering if you have a zero balance.
4. Submit your remittance form to the Office of Bursar Operations by mail or in person.

**NOTE:** If you have applied for financial aid, and the aid has not been awarded and accepted at the time payment is due, you must pay or defer your fees to prevent your classes from being purged for non-payment.

**Auditing Fee Assessments and Payments**
All fee assessments and payments will be audited. Additional charges or refunds will be processed through the Office of Bursar Operations.

**Deferred Payment Plan**
The University offers a deferred payment plan as a payment option. Eligible students are allowed to defer up to one-half (1/2) of their current semester charges. Payment of ½ of the current semester charges plus any account balance, the remittance stub, and a $15 service charge is due by the Payment Due Date. The remainder of tuition will be due according to the schedule which follows. You must select this option through MYLSU each semester prior for fee assessment.

**Deferred Payment Due Dates**
On each date 1/2 of the total deferred is due. Payments are to be paid at the Office of Bursar Operations, 125 Thomas Boyd Hall.
Eligibility
All students are eligible for the initial deferred payment plan. Any future deferred payments are granted based on the individual credit history established with the University. Students who default on a deferred payment plan are ineligible to receive a deferment for one calendar year.

Terms
- A $15 service charge will be assessed on all deferments.
- If payments are not received by the Office of Bursar Operations on or before the tenth calendar day following the scheduled due date, a 5 percent (5%) late fee will be assessed.
- If the amount due plus the 5% late fee is not received within fourteen calendar days after notification of delinquency, the University will withhold grades for the current semester, withhold transcripts and prevent completion of registration for a future semester until the amount due plus a $75 financial reinstatement fee is paid.
- All LOANS and GRANTS made through or in conjunction with the University will be applied to the student’s account.
- In the event of withdrawal from the Law Center before complete payment has been made, any credit or refunds due the student as provided for in accordance with current University regulations will be applied to the student’s account. The balance must be paid.
- If it becomes necessary for LSU to commence legal action against the student to enforce the terms of this agreement and the student’s account is turned over by the University to an attorney-at-law for collection, by suit or otherwise, the student will be obligated to pay all court costs and legal interest from the debts are due (pursuant to LSA-CC article 2000) and $100 or a sum equal to thirty-three and one third (33 1/3%) additional of the total amount due and owing as attorney fees, whichever is higher.

Late Registration
If you do not register by mail, or pay fees via MYLSU using a bank draft or credit card by the payment due date your courses will be purged. You must schedule courses and select additional services fees before reporting to the Office of Admissions and Student Records, 202 Law Center for fee assessment. If you are a continuing LSU student you will be assessed, and pay, the $75 late registration service charge.

Late Registration Service Charge
If you do not pay your fees via MYLSU using a bank draft or credit card, or pay any fees due by the payment due date, your courses will be purged, and you will be assessed, and pay, the $75 late registration service charge.

No-Pay Purges
The university will purge students’ classes from their schedules if tuition and fees are not paid within the deadlines set forth.

Overpayments
Refunds of overpayments will automatically be mailed to the student’s home address at the time statements are prepared if the overpayment exceeds $10. Overpayments of less than $10 will be retained in the account and applied against future charges unless a refund is specifically requested by the student.

Partial Payments
Unless you have selected to defer part of your fees, partial payments are not permitted. You are strongly encouraged to access myLSU and check your “fee bill status” after paying your fees to ensure that you are registered. You must be paid in full to be considered registered.

If you make a partial payment using a credit card or return your remittance stub with less than the amount due, the funds received will be deposited to your account, but you will not be considered registered. If the remainder of the total amount due is not received by the payment due date, your courses will be purged. If you choose to complete registration, you will pay fees via MYLSU using a credit card and will be assessed the $75 late registration service charge.
Paying Fees by Credit Card
You may pay your fees via myLSU by using a Master Card or Visa credit card. You will find the fee bill link under “Registration Services” on your myLSU Desktop. Please be aware that you will be charged a 2.5% processing fee if you pay by credit card.

Paying Fees by Mail
Remittance forms and any payments due must be RECEIVED (NOT POSTMARKED) BY THE PAYMENT DUE DATE. You are strongly encouraged to mail your payment with your remittance form ten calendar days prior to the payment deadline date. Therefore, if you have a balance due, are anticipating that your balance will change to zero, and the balance has not changed by ten days prior to the payment deadline, you should mail your remittance form and the payment due.

Paying Fees by On-line Check/Bank draft
You may pay your fees via myLSU with an on-line check/bank draft. You will find the link under “Registration Services” on your myLSU Desktop. Please note that a $25 service charge will be assessed on all payments returned NSF.

Sponsors
Sponsors are individuals, trusts, government agencies, or other organizations that are willing to pay all or a portion of a student’s educational expenses. When prior written notice of a sponsor’s intent to support a student has been received, the University will bill the sponsor for approved charges rather than require payment from the student.

Transfer of your charges to a sponsor’s account will be permitted only when specifically authorized in writing by the sponsor. Charges rejected or unpaid by the sponsors for any reason are the responsibility of the student along with possible late payment charges. Questions regarding sponsor billing should be directed to the Office of Bursar Operations.

Zero Balance Fee Bills
If your on-line fee bill reflects a zero balance due, you are still required to complete registration by indicating, via myLSU, that you are completing registration. You will find the fee bill link under “Registration Services” on your myLSU Desktop.

\[\text{COMPLETION OF REGISTRATION}\]

All students must complete registration, even when their balances due are zero because their fees are paid by scholarships, sponsors, student aid, payroll deduction, etc. You have four options to complete registration.

- Use myLSU to pay the amount due using an on-line check/bank draft.
- Use myLSU to pay the amount due using a credit card.
- Use myLSU to indicate you are registering if you have a zero balance.
- Submit your remittance form to the Office of Bursar Operations by mail or in person.

Students will find the fee bill link under “Registration Services” on their MYLSU Desktop for up-to-the minute fee bill information and balance due. This application also provides students with the ability to pay their fees using an on-line check/bank draft or credit card.

You are strongly encouraged to check on MYLSU to ensure that your payment was received, and you are considered registered. To do so, select “Billing Statement” under the Financial Services heading on your MYLSU Desktop.

To check your registration status, please do not simply list your courses, as this listing is not an indication that you are registered. You have completed registration only when you have paid fees via MYLSU or any payment due has been received and posted to the Advance Billing System.

\[\text{FINANCIAL AID / SCHOLARSHIPS}\]

Special Notice to Financial Aid Recipients
It is most important for you to complete the financial aid application process early enough each year so that the amount of aid you have been awarded will appear on your university account as an anticipated financial credit. Otherwise, you will be
responsible for the payment of your fees. If payment is not received by the payment due date, your courses will be purged and you will be required to pay the $75 late registration service charge.

All award notices will be e-mailed to your MYLSU account. Most major lenders will transmit Federal Stafford, Unsubsidized Stafford funds electronically once you have accepted your loan. These funds will be credited directly to your student account through Electronic Funds Transfer (EFT). Any lender that does not participate in the EFT process will issue individual loan checks which must be signed by the student before the funds will be applied to your account. The Office of Bursar Operations will inform you, via e-mail, when the funds have been posted to your account. Your financial aid award letter will provide you with detailed information regarding the process your particular lender utilizes in the delivery of these loan funds.

Additionally, Perkins Loan funds will also be applied directly to your student account on or about the first day of class (if all eligibility requirements are met). For all financial aid programs, however, you must have accepted the award(s) and you must enroll for at least the number of hours upon which your financial aid was based. Adjustments to credited amounts will be made based on your enrollment status after the last day to add courses.

Special Notice to LSU Scholarship Recipients
LSU Board of Supervisor’s Scholarships, Tuition Waivers and Fee Exemptions will be applied directly to your student account provided you meet the specific program requirements. Once awarded, these will appear on your university account each semester or term as a credit provided you have scheduled the number of hours required by the scholarship. Scholarship programs which include cash awards will be disbursed after classes begin.

Refunds of overpayments will automatically be mailed to the student’s home address at the time statements are prepared if the overpayment exceeds $10. Overpayments of less than $10 will be retained in the account and applied against future charges unless a refund is specifically requested by the student.

Disbursement of Financial Aid Balance
If the amount of your financial aid is greater than the amount owed to the University, you can have the funds directly deposited to your bank account (see Direct Deposit section below). If you do not use direct deposit, you will be issued a check for the balance. Financial aid balances will be either mailed or direct deposited the first week of class and continue as credit balances on your account. You may cancel all or part of student loan funds by returning the check to the Office of Student Aid and Scholarships within 30 days of the first class day.

Your check will be mailed to the first address found on the LSU Directory database in the following priority order—local mailing, home. Note: Mail is not delivered to on-campus residential housing; however, you may rent a P.O. Box at the U.S. Post Office in the LSU Union.

Students depending on their financial aid award to cover book costs may contact the Office of Student Aid and Scholarships for an Emergency Loan if you have not received your financial aid balance.

Direct Deposit
You should participate in the direct deposit of payroll, student financial aid, credit balance refunds and other non-payroll University reimbursements. For additional information, select “Financial Services” from your MYLSU desktop.

Direct deposit files are updated at 4 p.m. daily. Funds received by the Office of Bursar Operations should be deposited into your account within two business days after they are received.

Financial Aid and Resignations
Students resigning from the University without completing 60% of the enrollment period will be required to return part or all of the federal financial aid they received. This provision also applies to students who “unofficially withdraw” or stop attending classes. Students for whom proof of attendance cannot be established for at least 60% of the enrollment period will have charges placed on their student accounts for the appropriate amounts. The 60% completion point is calculated by applying the percentage to the number of days in the enrollment period (excluding scheduled breaks for five or more days).
Federal financial aid recipients officially resigning from the University may be entitled to a partial refund of tuition and certain fees based on the date of resignation. A complete refund schedule for federal financial aid recipients is available in the Office of Admissions and Student Records, Room 202.

For additional information, please visit the Office of Undergraduate Admissions and Student Aid in Pleasant Hall, or call that office at 578-3103.

See the semester calendar for this date.

If you do not inform the university by the deadline that you are not graduating, you will have the difference between the diploma fee and the duplicate diploma fee ($20) credited to your account. The next time you indicate that you are going to graduate, you will be assessed the full diploma fee.

**ADDITIONAL SERVICES FEES**

Additional services fees are not covered by financial aid awards. You may use myLSU to have additional services fees assessed with your tuition and fees.
All students may select the following types of service fees: Dining Plans, Parking, Tiger Express, and Health Insurance. In addition, part-time students may also elect to be assessed the Student Health Center and/or the Student Recreational Sports Complex fees.

To change a service fee, follow this example: If you have selected dining plan 01002, and would like to change to dining plan 01003, simply add 01003. The adding of 01003 will be completed, and plan 01002 will be dropped. For Tiger Express, the new amount will be used and the old amount will be dropped.

You will be able to select or change additional service selections until your fees are assessed. After assessment, you may no longer use myLSU to change additional services fees. You must contact the individual office(s) providing the service(s) you have selected to change or delete charges on your account.

If you park a vehicle on campus, you must purchase a parking permit (a vehicle hang tag or motorcycle sticker). If you did not pay for a year’s parking permit in the fall, you will be asked if you will park a vehicle on campus. If you indicate that you will, you will automatically be assessed for a fall and spring automobile parking plan. If you want to change this selection, you will need to access the additional services fee. Permits are planned to be mailed to you this year. Please check that the address on the system is correct and up-to-date.

If you have a vehicle that cannot be secured, you may exchange your hangtag at no charge for a special windshield decal at the Office of Parking, Traffic and Transportation. Visit the office in the Public Safety Building or call 578-5000 for additional information concerning parking on campus.

If your situation warrants, you may want to choose the one-semester permit. This permit is valid, however, for that semester only, and no credit will be carried over to future purchases.

Tiger Cards are produced by the Tiger Card Office. The Tiger Card is a multipurpose card used to procure services, activities, and privileges available to students. The card is used to gain access to many events on campus, to check out library materials, for Tiger Cash and meal plans, and for access into certain facilities on campus.

New students are issued their first Tiger Card at no cost. The Tiger Card is the property of the University and must be retained for each subsequent term of enrollment. The card should be carried by the student at all times and must be present upon request of any University official. The card is nontransferable. Students who alter or intentionally deface a University card, who use the card of another, or who allow others to use their Tiger Card may be subject to University discipline and confiscation of the card.

Production of Tiger Cards
Tiger Cards are produced in Room 109 of the LSU Student Union, Monday through Friday, 7:30 a.m. – 5:00 p.m. Exceptions occur during special periods such as Late Registration, Spring Testing, and Freshman Advising. During those times pictures for Tiger Cards are made at special advertised locations.

Lost or Stolen Cards
Lost or Stolen Cards must be reported to Tiger Card Office, Room 207 LSU Union, as soon as the loss or theft is discovered. Students who do not report lost or stolen cards in a timely manner may be held responsible for any charges incurred on the card. A charge is assessed to replace a lost, stolen, or defaced Tiger Card, even if the student is re-enrolled after an interruption of study. If a replacement card is issued, the original card is no longer valid and cannot be made valid.

For additional information call 578-4300 or contact: Tiger Card Office, P.O. Box 25052, Baton Rouge, LA 70894; or visit www.TigerCard.lsu.edu.

Tiger Cash is a debit card system using the Tiger Card to provide a fast, safe, convenient way to make purchases all over campus. It is safer than cash and more convenient than checks or credit cards. Using your Tiger Cash reduces the risk of theft. If your card is lost or stolen, a call to the Tiger Card Office will stop access to your account until you find or replace your card.

With Tiger Cash there is no minimum deposit or semester fee. Accounts may be closed at any time by spending the balance down to zero: otherwise, accounts roll over from semester to semester until the student graduates or resigns. Cash withdrawals cannot be made from the accounts.

After funds are deposited into your Tiger Cash account, purchases made with Tiger Card are deducted from your balance. Your remaining balance will be electronically displayed when you make a purchase so you will always know how much money remains in your account.

You can use myLSU to add Tiger Cash. You must enter an even dollar amount up to $5,000.

Privacy and Release of Student Education Records
The Family Educational Rights and Privacy Act of 1974 (sometimes referred to herein as “the Act”), as amended, sets forth requirements designed to protect the privacy of student education records. The Act gives parents certain rights with respect to their children’s education records. These rights generally transfer to the student when he or she reaches the age of 18 or attends post-secondary (beyond 12th grade) school. The law governs access to records maintained by educational institutions and the release or disclosure of certain information from those records. This notice is published in each registration booklet to explain the rights of students with respect to records maintained by the Paul M. Hebert Law. It also outlines the law center’s procedures to comply with the requirements of the Act. Copies of the Act, the Federal Regulations
adopted pursuant to it, and this notice are available for viewing in the Office of the Student Records, Room 202.

**Definitions**

**I. EDUCATION RECORDS**

1. The meaning of “education records” is, with certain exemptions as listed below, those records, files, documents, and other materials which contain information directly related to a student, and are maintained by any employee or agent of the university. The following categories of information are exempted and are not considered to be “education records”:
   - Records made by university personnel which are in the sole possession of the maker and are not accessible or revealed to any other person except a temporary substitute of the maker.
   - Records maintained by the LSU Police Department for law enforcement purposes.
   - Medical and counseling records used solely for treatment. (Medical records may be personally reviewed by a physician of the student’s choice.)
   - Records of student workers related exclusively to the student’s employment with the university.
   - Records only related to a former student (alumni records) that are not directly related to the student’s attendance as a student. Records of that individual while a student continue to be considered education records.

2. All records pertaining to students which are maintained by university offices are official university records, and as such, remain the property of the university.

3. Each university unit has an obligation to keep a record of requests for access to, and disclosures of, personally identifiable information in student records information except when the request is from the student, a university official with a legitimate educational interest, someone requesting directory information, or related to a request with written consent from the student. Students have the right to review this record of requests and disclosures of student record information.

II. PERSONALLY IDENTIFIABLE INFORMATION - Data or information which includes, but is not limited to the following:
   - The student’s name.
   - The name of the student’s parents or other family members.
   - The address of the student or the student’s family.
   - A personal identifier such as the student’s Social Security Number, LSUID, or biometric record.
   - Other indirect identifiers, such as the student’s date of birth, place of birth, mother’s maiden name.
   - Other information that alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty.
   - Information requested by a person whom the university reasonably believes knows the identity of the student whom the education record relates.

III. STUDENT - Any individual who is or has been in attendance at LSU and regarding whom LSU maintains education records.

**Policy Detail**

I. RIGHT TO INSPECT AND REVIEW

Students are granted the right to inspect and review all of their education records, except the following:
   - Financial records of parents.
   - Confidential letters and statements of recommendation placed in education records prior to January 1, 1975.
   - Confidential letters and statements of recommendation for admission, employment, or honorary recognition placed in education records after January 1, 1975, for which students have waived their right of access.

II. WAIVER OF RIGHTS OF ACCESS

Students may waive their right of access to confidential letters and statements of recommendation. Even if the student signs a waiver, upon request, the names of all persons making confidential recommendations will be made available.
Employees or agents of the university may not require a student to waive his or her right of access for receipt of university benefits or services.

III. PROCEDURES FOR INSPECTION AND REVIEW

1. Students have the right to inspect and review education records within 45 days after receipt of the request for access. Requests to review records must be made separately, in writing, to each office maintaining records. That office will make arrangements to comply with the request as expeditiously as possible not later than 45 days after receipt of the request. If the records are not maintained by the office to which the request was submitted, that office shall so advise the student, and the student shall address his or her request to the appropriate office.

2. Information contained in education records will be fully explained and interpreted for students by university personnel assigned to, and designated by, the appropriate office.

3. Students have the right to review only their own records. When a record contains information about more than one student, disclosure cannot include information regarding the other student(s).

4. The university reserves the right to deny copies of records, including transcripts, not required to be made available by the Act if the student has an unpaid financial obligation to the university.

IV. RIGHT TO CHALLENGE INFORMATION IN RECORDS

1. Students have a right to challenge the content of their education records if they consider the information contained therein to be inaccurate, misleading, or in violation of the student’s privacy rights.

2. This process includes an opportunity for amendment of the records or insertion of written explanations by the student into such records.

3. Students challenging information in their records must submit, in writing, a request for a hearing to the appropriate office maintaining the record, listing the specific information in question and the reasons for the challenge.

4. Within 45 days of receipt of the written request for hearing, the university will inform the student of the date, place, and time of the hearing and the identity of the official in charge of the hearing. The notice will be mailed to the student at least two weeks in advance of the hearing.

5. The right to challenge grades does not apply under the Act unless the grade assigned was inaccurately recorded, under which condition the record will be corrected.

V. PROCEDURES FOR HEARING TO CHALLENGE RECORDS

1. Students challenging information in their records must submit, in writing, a request for a hearing to the appropriate office maintaining the record, listing the specific information in question and the reasons for the challenge.

2. Within 45 days of receipt of the written request for hearing, the university will inform the student of the date, place, and time of the hearing and the identity of the official in charge of the hearing. The notice will be mailed to the student at least two weeks in advance of the hearing.

3. Hearings will be conducted by a university official who does not have a direct interest in the outcome of the hearing.

4. Students shall be afforded a full and fair opportunity to present evidence relevant to the reasons for the challenge, as referenced in item IV. The student may be assisted by individuals or an attorney at his or her expense.

5. The hearing officer will render a decision, in writing, noting the reason and summarizing all evidence presented within 30 days of the hearing. The decision will be based solely on the evidence presented and will include a summary of the evidence and the reason(s) for the decision.

6. Should the hearing be in favor of the student, the record shall be amended accordingly and the university shall notify the student of the amendment in writing. Should the request be denied, the student may choose to place a statement with the record commenting on the accuracy of the information in the record and/or setting forth any basis for inaccuracy. When disclosed to an authorized party, the record will always include the student’s statement and the hearing officer’s decision, as long as the student’s record is maintained by the university.

7. If students have questions regarding the procedure for challenging records, they should contact the Office of the Student Records registrar@law.lsu.edu or 225-578-8646

VI. CONSENT FOR RELEASE REQUIRED

Written, dated, and signed consent must generally be obtained from students for the release of information from education records, specifying what is to be released, the reasons for release, and name of the party or class of
VII. RELEASE WITHOUT CONSENT

1. The requirement for consent does not apply to the following:

   - Requests from school officials who have a legitimate education interest on a “need to know” basis. School officials are members of the faculty and staff of LSU, including student employees or agents of the university, as necessary or appropriate, to conduct official business, as authorized by the university. Legitimate educational interest includes performing a task related to the regular duties of the employee or agent, the student’s education, the discipline of a student, a service or benefit for the student, or maintaining safety and security of the campus.
   - Requests from a person employed by or under contract with the university to perform a special task.
   - To public officials as specified in the Act.
   - To agencies or institutions that have requested records in which a student seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student’s enrollment or transfer.
   - To organizations for use in studies designed to develop, validate, or administer predictive tests, administering student aid programs, and improving instruction. Such agencies must agree not to divulge personally identifiable records to third parties and must agree to ultimately destroy these records.
   - Requests in compliance with a judicial order or lawfully issued subpoena, provided the university makes a reasonable attempt to notify the student in advance of compliance (except in certain cases involving grand jury subpoenas and subpoenas issued for law enforcement purposes and the court has ordered that the existence of the subpoena not be disclosed); or, when the university is involved in a legal action with a parent or student, where disclosure to the court, without a court order or subpoena, of records that are relevant for the university to proceed as plaintiff or to defend itself is permissible.
   - To comply with a court order obtained under the USA PATRIOT Act of 2001 for education records considered relevant to a terrorism investigation or prosecution, without advance notice to the student.
   - Requests in connection with a student’s application for or receipt of financial aid.
   - Requests by state authorities and agencies specifically exempted from the prior consent requirements by the Act for disclosure of records to organizations conducting studies on behalf of the university, if such studies do not permit the personal identification of students to any persons other than to representatives of such organizations and if the personal identification data is destroyed when no longer needed.
   - Information submitted to accrediting organizations.
   - Requests by parents of a dependent student, as defined in Section 152 of the Internal Revenue Code of 1986.
   - To parents or legal guardians of a student regarding the student’s violation of any federal, state or local law, or of any rule or policy of the university governing the use or possession of alcohol or a controlled substance.
   - To any person, including a parent, whose knowledge of the situation is necessary to protect the health or safety of the student or any other individuals when, considering the totality of the circumstances, the university has determined that there is an articulable and significant threat to the health or safety of a student or any individual.
   - To authorized federal officials who have need to audit and evaluate federally-supported programs.
   - To the U.S. Citizenship and Immigration Services (USCIS)/Department of Homeland Security (DHS) concerning an F, J, or M nonimmigrant alien, only to the extent necessary for the university to comply with Student and Exchange Visitor Program (SEVP) reporting requirements, as mandated by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, the USA PATRIOT Act, the Enhanced Border Security and Visa Entry Reform Act of 2002, and the regulation at 8 CFR 214.1(h). Consent is not necessary for the university to disclose required information to USCIS or DHS in compliance with SEVP reporting obligations.
   - As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which education records and personally identifiable information (PII) contained in such records—including the Social Security Number, grades, or other private information—may be accessed without the student’s consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to the records and PII without the student’s consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to
education records and PII without the student’s consent to researchers performing certain types of studies, in
certain cases even when the university objects to or does not request such research. Federal and State
Authorities must obtain certain use-restriction and data security promises from the entities that they authorize
to receive the PII, but the Authorities need not maintain direct control over such entities. In addition, in
connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently
retain, and share without the student’s consent PII from education records, and they may track a student’s
participation in education and other programs by linking such PII to other personal information about the
student that they obtain from other Federal or State data sources, including workforce development,
unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

- The results of any disciplinary proceeding conducted by the university against an alleged perpetrator of a crime
  of violence to the alleged victim of that crime.
- To the victim of an alleged perpetrator of a crime of violence or non-forcible sex offense.
- To disclose information provided to the university under Section 170101 of the Violent Crime Control and Law
  Enforcement Act of 1994 (42 U.S.C. 14071) concerning registered sex offenders who are required to register
  under that section.
- Requests for “directory information” (see item VIII).

2. The university reserves the right to verify the accuracy of any information contained in what purports to be an
official university document (e.g., a transcript or diploma) or is provided to a third party. In addition, degrees (any
honors, majors, minors and specializations) are considered public information since they are conferred in a public
ceremony.

**DIRECTORY INFORMATION**

The Family Educational Rights and Privacy Act (FERPA) of 1974, as Amended, includes various provisions for protection and
privacy of students and parents. Among these provisions is the requirement that educational institutions permit currently
enrolled students to restrict the release of those items designated as “directory information.” LSU Law Center defines as
directory information the following facts about a student.

- Name, local address, and telephone number
- Home address
- E-mail address
- Date and place of birth
- Major field of study and classification
- Participation in officially recognized activities and sports; weight and height of members of athletic teams
- Dates of attendance
- Degrees, awards, and honors received
- Previous educational institution most recently attended

Please be aware that student names, addresses and major fields of study are listed on the Internet by LSU. If you wish to
request that this information not be released, listed on the Internet or in the LSU Directory, you should complete and
submit a “Request to Prevent Disclosure of Information Form” to the Office of Admissions and Student Records within the
first 10 days of the semester. This form is available in Room 202. Once requested, this restriction will remain in effect until
you request that it be removed.

When you have requested that directory information be restricted, it will be available only to University faculty and staff
who have legitimate educational interests or, in the case of an emergency, at the direction of a court or in other limited
situations, as described in LSU Law Center’s **Policy Statement 30LC**. The information will not be provided to a person who
claims to be a relative or friend, to a fellow student, or to a prospective employer who might wish to contact you or verify
your status at the Law Center.

**myLSU & Public Web Directories**

LSU maintains two directories that are available via the Web. The myLSU Directory is available only to LSU students, former
students, faculty and staff (i.e., persons with a relationship with the University). Students’ address information is displayed
on the my LSU Directory. Students have the option of suppressing some or all of their address information via their myLSU desktops.

The Public Directory is available to the general public via the LSU Home page. **NO student address information is presented on the Public Directory, unless students choose to have the information displayed.** Students may opt to show information on the directory via their myLSU desktops.

★ IMMUNIZATION POLICY ★

**The Law and Medical Recommendations:** Louisiana law ([R.S. 17:170 - Schools of Higher Learning](#)) requires proof of dates of immunization against measles, mumps, rubella, and tetanus-diphtheria for all first-time LSU students born on or after January 1, 1957, and for reentering students (born on or after January 1, 1957) who have been out of school for one semester or longer. The following guidelines are presented for the purpose of meeting the established recommendations for control of vaccine-preventable diseases, as recommended by the American Academy of Pediatrics (AAP), the Advisory Committee on Immunization Practices to the United States Public Health Service (ACIP), and the American College Health Association (ACHA). In addition, current Louisiana legislation now mandates meningitis vaccination for persons being admitted to a postsecondary education institution for the Fall semester 2006.

**REQUIREMENT:** Two (2) doses of measles vaccine, at least one (1) dose each of rubella and mumps vaccine, and a tetanus-diphtheria booster.

**Measles Requirement:** Two (2) doses of live vaccine given at any age, except that the vaccine must have been given on or after the first birthday, in 1968 or later, and without Immune Globulin. A second dose of measles vaccine must meet this same requirement, but should not have been given within 30 days of the first dose. A history of physician-diagnosed measles is acceptable for establishing immunity if properly documented.

**Tetanus-diphtheria Requirement:** A booster dose of vaccine given within the past ten (10) years. Students can be considered to have completed a primary series earlier in life, unless they state otherwise.

**Meningococcal Requirement:** Beginning Fall 2006, it is mandatory for students enrolling at LSU to be vaccinated against meningococcal disease. A dose of Menactra at anytime or a dose of Menomune within the last year will serve as satisfactory evidence of current immunization against meningococcal disease. **NOTE:** In most cases, student compliance will require a second dose of measles vaccine (preferably as MMR) and a dose of tetanus-diphtheria (Td, Adult Type). In cases where no records can be located, or especially when immunization in the past is doubtful, two doses of MMR separated by a minimum of 30 days may be indicated.

**Tuberculosis Questionnaire:** Beginning Fall 2005, it is mandatory for all entering students to complete the Tuberculosis Questionnaire on the [Proof of Immunization Compliance form](#).

**Exemption Requirement:** If a student requests an immunization exemption for medical or personal reasons, the Immunization Exemption section on the second page of the [Proof of Immunization Compliance form](#) must be completed and signed. An exempted student may be excluded from campus and from classes in the event of an outbreak of measles, mumps, or rubella until the outbreak is over or until the student submits proof of immunization.

**For Further Information about immunizations, please call the Student Health Center Immunization Desk at 225/578-0593.**

Safety Programs

Campus Transit
To help protect students who need to reach a particular destination on campus after dark, LSU Student Government established the Campus Transit Service, which is run and staffed by the Office of Parking, Traffic and Transportation. Campus Transit provides free door-to-door rides on campus between 5:30p.m. and 3 a.m. Sunday through Friday. The vehicles are radio dispatched from the LSU Public Safety Building, and anyone on campus can call 225-578-5555 to be picked up within a few minutes. Drivers are carefully selected for this job.

Lighting
The University has allotted an average of $45,000 per year for lighting improvements and enhancements. A group of administrators and students examine the campus several times a year and determines which areas require lighting repairs and which areas need additional illumination.

Campus Call Boxes
LSU has tamper resistant phones near the entrances to most dorms and many other buildings which allow you to make an on-campus call or contact the police by dialing 911.

Crime Stoppers
Crime Stoppers is a community involvement program designed to help stop crime in its tracks. Crime Stoppers’ reason for existing is to gather clues that law enforcement agencies need to solve major crimes by offering cash rewards and providing a single number to call with information relating to any crime or criminal activity. If you have information regarding a crime, call 334-CRIME (2746).

The LSU Law Center’s Illegal Use of Drugs and Alcohol Misuse Policy (PS-67LC)
The LSU Law Center is committed to maintaining an environment which supports the research, teaching, and service mission of the University. The illegal or abusive use of drugs or alcohol by any member of the University community interferes with the accomplishment of this mission. Louisiana Law prohibits the consumption, distribution, or manufacture of drugs described as controlled dangerous substances in the Louisiana Revised Statutes 40:964 and the illegal possession and/or consumption of alcohol. A copy of the LSU Law Center’s Illegal Use of Drugs and Alcohol Misuse Policy (PS-67LC) may be found at www.law.lsu.edu/HumanResources.
