### **Retirement Investing: The Five Most Important Things You Need to Know**

Professor Don Chance, a finance professor from the College of Business, will provide all interested faculty and staff with retirement investing advice on Thursday, March 15, from 3:30-5pm in Room 106. Professor Chance has studied and worked in the area for more than 30 years, and it has recently become his mission to try to show LSU employees how to keep more of their money. In his words: "I can assure you that your investments are bleeding money that you don't know about, and I can show you how to reduce the bleeding." His presentation will run approximately one hour, and we will have Q&A after that. Please click here to let us know you will attend: <https://www.law.lsu.edu/forms/retirement/>.

### **Alumni Affairs**

The LSU Law Center will host its annual Student Scholarship Reception on March 27, 2018 at The Club at Union Square (formerly the Faculty Club) on Highland Road and Raphael Semmes Road from 5:30 p.m. to 7:30 p.m. The reception allows student scholarship holders and donors and/or representatives to meet in person. Students should take this wonderful opportunity to thank their donor(s) or representative(s) for their generosity to the Law Center and to network with others.
